Presidential Memorandum -- Making it Easier for America's Small Businesses and America's Exporters to Access Government Services to Help Them Grow and Hire

MEMORANDUM FOR THE HEADS OF EXECUTIVE DEPARTMENTS AND AGENCIES

SUBJECT: Making it Easier for America's Small Businesses and America's Exporters to Access Government Services to Help Them Grow and Hire

As I outlined in my State of the Union address to the Congress on January 25, 2011, winning the future in the global economy will require a Government that wisely allocates its scarce resources to maximize efficiency and effectiveness so that it can best support American competitiveness, innovation, and job growth. If we are to thrive in the global economy, and make America the best place on Earth to do business, we need to equip our Government with the tools necessary to support innovation and job growth in the 21st century.

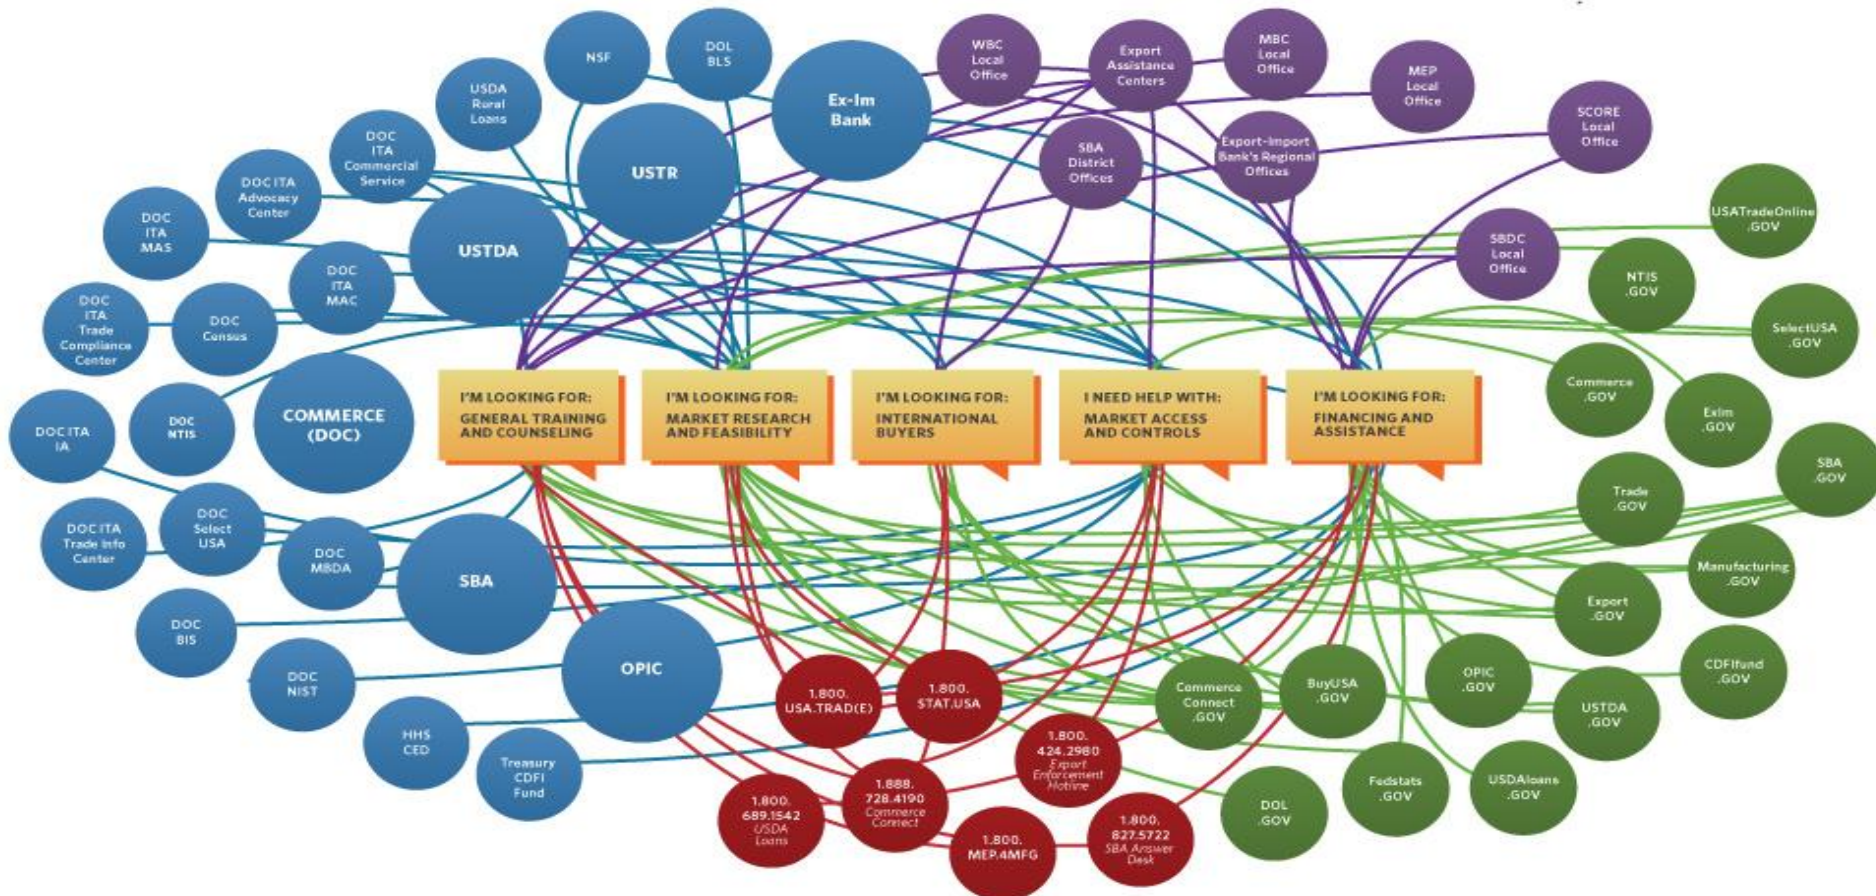

Accordingly, we must make it easier for businesses to access the full range of Government programs and services without having to waste effort navigating their way through the Federal bureaucracy. At the same time, we must further streamline and coordinate Federal programs to reduce costs and provide customer oriented service.

Businesses looking for assistance from the Federal Government should feel like they are interacting with one entity, rather than a number of separate, albeit linked, components. This means adopting a "No Wrong Door" policy that uses technology to quickly connect businesses to the services and information relevant to them, regardless of which agency's website, call center, or office they go to for help.

In addition, a business's interactions with the Federal Government should be individualized and efficient. If the

Local Pages

- Addresses “shallow” nature of the site by providing a landing page that users can bookmark and return to other than the homepage
- Zip code driven content better than the current “state and local” laundry list

Re-Launch Features

- Look and Feel Usability Redesign
- Better Search Functionality
- Integrated Help Desk Functionality
- Streamlined Ways to Contact Us - Outgoing Links For Help, Chat, etc.
- Request an Appointment
- Local Page to Display Local Resources, Events, and Programs
- Quick Access to Veterans and Disaster Assistance Programs
- Wizards Provide Step by Step Guided Assistance

Future Plans

Presidential Innovation Fellow

- The PIF program pairs top innovators from the private sector, non-profits, and academia with top innovators in government to collaborate during focused 6-12 month “tours of duty” to develop solutions that can save lives, save taxpayer money, and fuel job creation
- The White House has selected BusinessUSA for a Round 2 Project that will assist in the development of new technology/applications for Business.USA.gov and will be called “MyUSA”
- MyUSA will
 - ✓ Create a more personalized experience for users
 - ✓ Simplify the process of finding and accessing information and government services that are right for individuals
 - ✓ Help American businesses access the information and services that will help them grow, hire American workers, and export to foreign markets

Future Plans Cont'd

- Onboard Round 2 of PIF for MyUSA Team
- Solidify partnerships with 24 federal agencies
- Plan, design, develop and implement future web products
- Convene Executive Committee and finalize long-term governance
- Evaluate Contact Center pilot and determine next steps
- Finalize and continue implementation of content integration strategy with SBA.gov, export.gov, and other federal partners
